The Friends of the Pulaski Public Library is an organization whose goal is to support and promote the Pulaski Library. We meet five times a year. In order to achieve our goal, we raise money for the purchase of books, furniture, technology and supplies. In addition, we plan and sponsor activities and events for children and adults in the community.

THANK YOU!

During the summer of 2017, the Friends of the Pulaski Public Library conducted their Book Sale, raised money for the Library with a basket raffle, and presented "Huff & Puff: A Pig Tale." We would like to take this opportunity to thank the patrons, community members, parents, kids, volunteers and visitors who supported these activities.
